

In 2008 the partnership of Michelle Jones of **Horsesports** and Susan Tullock of **Tulloch Training** came together to form **Show Sports LLC** horse show management group. This year Show Sports is excited to host the **Spring Fling Hunter/Jumper Show**, April 30-May 2 at the newly opened Lone Wolf Arena in Cleveland, MO.

The Spring Fling is a new format for the show community; for the first time, all local Hunter/Jumper associations (KCPHA, KHJA, GPHA and Sun Shine Series) are recognizing one show. Exhibitors will have a chance to accumulate points in all of these organizations.

To aid exhibitors with this new venture, additional entry and show information is available through the **Horsesports** web site, www.horsesportskc.com. Also for exhibitors convenience, we will be able to process credit cards for entry and stall fees.

In celebration of this first multi-association recognized show, **Horse Hardware** has generously donated a saddle to be raffled with the winner drawn at the **Spring Fling Show**. Your participation in the raffle benefits all associations with 100% of all proceeds going back to the H/J community.

Another fun division added is the **Qualified Field Hunter Division**. This division is only open to horses that are current members of a recognized fox hunt. Although they may not look or go like show horses of today we hope you take the opportunity to see the foundation of where our sport comes from.

Our mission is to create a safe, quality show and in the process bring together the H/J community with a sport that we all enjoy!

We hope you join us.

Michelle & Susan, Show Sports
